To: The Honorable Thomas I. Vanaskie
Chief United States District Judge

It is with great respect that I address this letter of concern to you. Currently I am being held at Lackawanna County Correctional Facility. I was moved here from Pike County as a temporary transfer. I have been away from my property being held at said facility for close to three weeks. I have medical, and legal documents along with family phone numbers, address 's, photos, and money which at this point is still on my account at Pike County Correctional Facility. Being that I was forced to leave my property at this point not being allowed to send such important item's home is a hindrance to not only myself in regards to having these things secure and sent to me at my institutional destination, but it's a hindrance to my family and lawyer who with numerous attempt's to rectify this situation have received no positive result's. My family and legal counsel has contacted the Marshal Service's informing them that I wish to either send my property to my mother's address or have it brought down to me so I can now try to start the process of sending these important documents home myself. I have tried every possible remedy that I possess to deal with this very important issue accordingly. With my many attempt's exhausted I now ask The Honorable Court to assist me in finding closure in this matter. Thank you for your time and assistance.

Sincerely,

Antoine L. Tucker
